HR-METAL

## Company Profile

HR=High quality, Reliable partner

Since 2000

### Product range:

1. Standard flanges: DIN/EN1092-1/ANSI/JIS/AS...
2. Special flanges
3. Drawing parts: Produced by CNC and VMC machines with tolerance  $\pm 0.05\text{mm}$

### Material:

1. Carbon steel+Alloy steel (S235JR, S355JR, P245GH, P250GH, P265GH, C22.8, A105, 15CrMO, 16Mo3...)
2. Stainless steel (F304/L, F316/L, 1.4571, 1.4541...)

### Certification:

PED 2014/68/EU and AD2000  
ISO9001+ISO14001+ISO45001.

### Main Inspection instruments:

Spectrometer  
Mahr Profilometer  
Mitutoyo roughness gauge  
Universal test machine

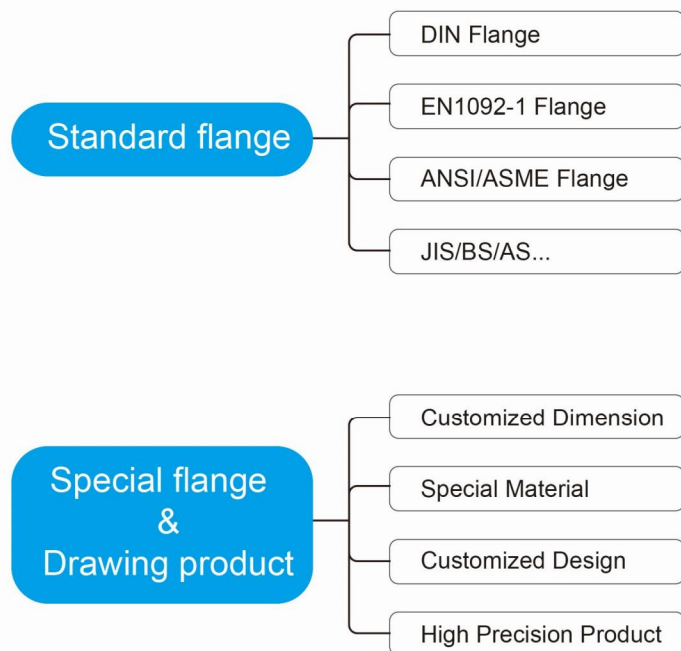

### Production Capacity:

50 experienced production workers  
300 tons per month.

## Product Range

## DIN Flange

Plate flange  
(DIN2642, DIN2576...)

Blind flange  
(DIN2527)

Welding neck flange  
(DIN2631, DIN2632...DIN2638)

Collar  
(DIN2641-B, DIN2642-B)

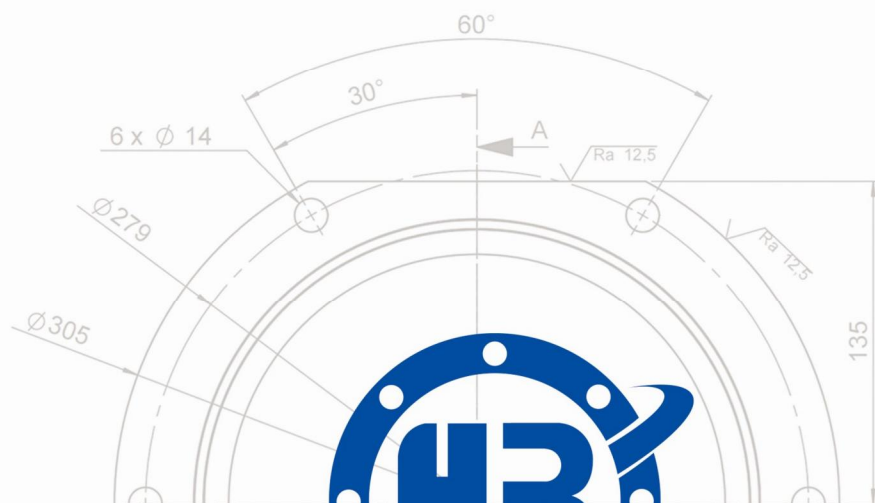

Wedge ring  
(DIN20004)

Threaded flange  
(DIN2566)

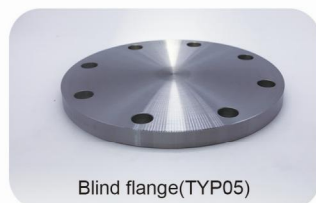

Slip-on flange  
(DIN86029, DIN86030)

## EN1092-1 Flange

Plate flange(TYP01、02)

Blind flange(TYP05)

Welding neck flange(TYP11)

Threaded flange(TYP13)

Ring(TYP32)

## ANSI/ASME Flange

B16.5—B16.47

**Class** 150#/300#/400#/600#/900#/1500#/2500#

Slip-on flange

Socket welding flange

Welding neck flange

Blind flange

## Special Flange

We can produce the flanges according to your special technical requirements.  
We care about your special needs.

## Drawing Parts

Sending the drawings to Herong, handing over the rest of the work to Herong.  
The tolerance we can keep for the drawing part is  $\pm 0.05\text{mm}$

## Surface Treatment

Anti-rust oil

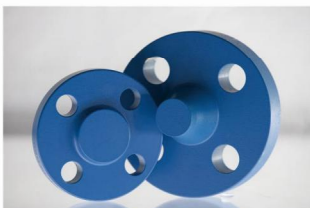

Electro-galvanizing

Hot Dip Galvanizing

Painting

We can do the surface treatment according to customer's requirements.

## Material

### Carbon Steel

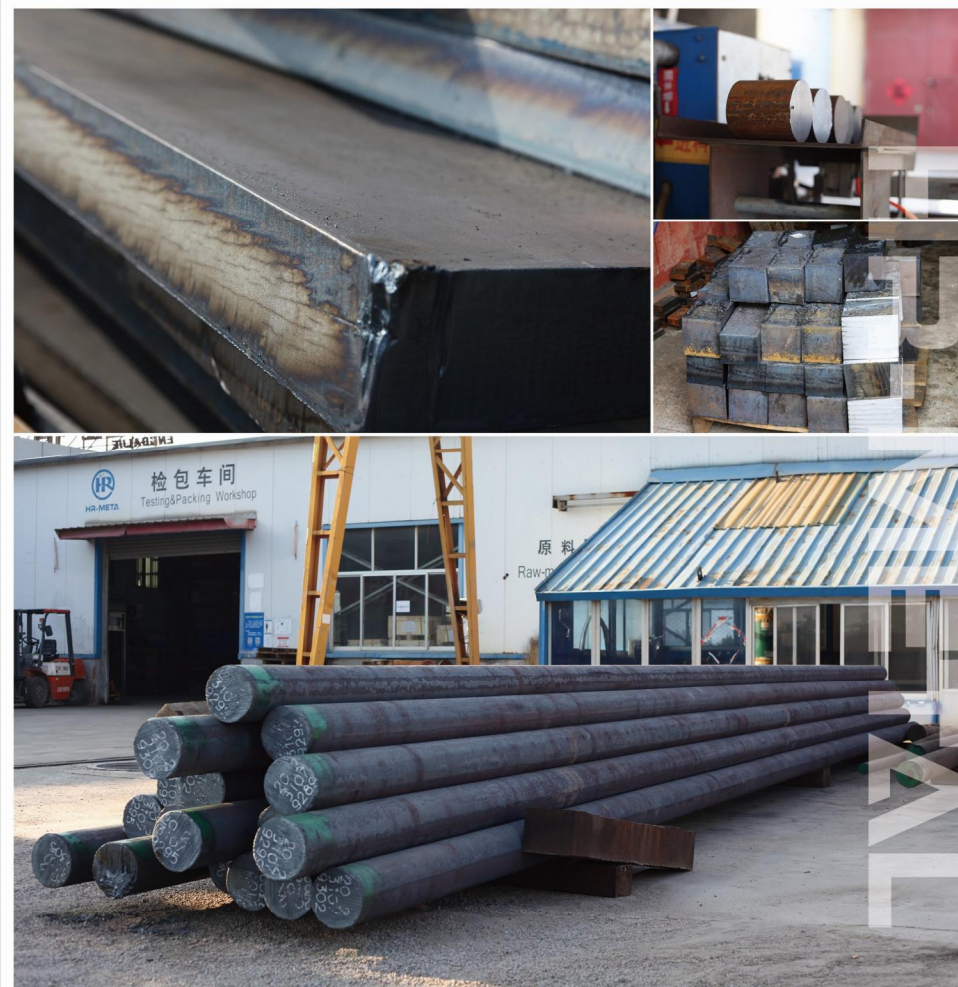

S235JRG2/RST37-2/1.0038. P250GH/C22.8/1.0460. A105...

### Alloy Steel

S355J2G3/ST52-3/1.0570. P245GH. P256GH.15CrMo. 16MO3...

### Stainless Steel

304/1.4301. 304L/1.4306. 316/1.4401. 316L/1.4404. 321/1.4541. 316Ti/1.4571...

# Certificate

Quality control system is the basis of reliable quality.

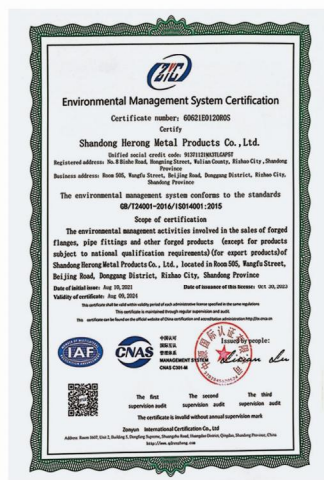

PED

ISO9001

ISO14001

ISO45001

# Quality

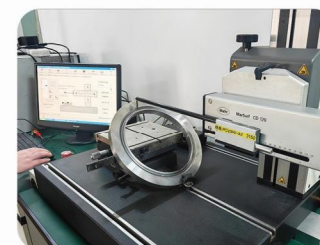

High-precision Inspection Instrument

UT Flaw Detector

Universal Test Machine

Mahr Profilometer

Mitutoyo Roughness Meter

Spectrometer

## Service

The key focus of our service: Reliability and Flexibility

**HR-METAL**  
High quality, Reliable partner
